Dear each of you.

There is the saying "better safe than sorry".

Sadly we are in lockdown, but we do it for our own safety and for our community and country.

I pray Gods peace and Blessings in this time.

Fr Frank Bird s.m. (Thailand, but formerly here in Whangarei created a wonderful resource to help you reflect on the **Sunday Scripture Readings for Mass**.

I recommend it, I use it myself.

Go to www.livingtheword.org.nz

I encourage you to keep contact with each other especially those you know to be alone.

Please remember in your prayers Sr Rose Harris s.m. and Nettie Hewitt who have died this week. RIP.

All Prayers and Blessings your you all

Fr Chris Martin s.m.
