

Tuesday 7 September

Dear Parishioners

Last night we had a Zoom meeting of the Parish Pastoral Council together with Frs Peter and Trevor and Allan Kerrisk from the Liturgy Committee.

The Government has announced new Level 2 Covid Regulations for the Delta variant. Limit of 50 Persons per Mass with 2 metre Spacing plus the mandatory wearing of Masks, QR scanning and or registering.

We considered the question: "Are we able to safely gather for Mass in our Parish?"

At this point we are unable to do that across our parish.

There will be no Masses or Liturgy in our Parish for the next two weeks.

Council will be meeting next Monday to consider evolving developments. Hopefully we can devise a workable strategy for the future.

All Aroha and Blessings
